**Hide me in the cleft of the rock,  
While the storm it, passes by. (Exodus 33:22)**

**Lay your mighty wings over me.  
Let me feel your comfort from on high. (Psalm 17:8; Psalm 57:1; Psalm 91:4)**

**I want to hear you in the treetops,  
I'm listening now.  
Move your armies on ahead to defend.  
Principalities and powers are raging above.  
So upon the Lord of Hosts I'll depend. (2 Samuel 5:24)**

**Build a wall of fire that divides, (Zechariah 2:5)  
To stand between me and the father of lies.  
Though Satan's armies surround, (Habakkuk 1:4)  
I'm on solid ground. (Psalm 40:2)  
In righteous love my Redeemer will arise! (Isaiah 31:2; Psalm 12:5)**

**Hide me in the cleft of the rock...**
